Has millimeter (mm) markings on one side and centimeter (cm) markings on the other side.</p> <ul style="list-style-type: none">• package of 10: \$9.00, plus \$4.00 shipping/handling• package of 30: \$25.00, plus \$7.00 shipping/handling• package of 100: \$70.00, plus \$10.00 shipping/handling
	<p>Plastic Ruler, 250 mm (25 cm) in length</p> <p>Plastic ruler, manufactured for QSI Corporation. In addition to the ruler scale, the front side contains SI prefixes. The back side contains lists of SI units, conversions, and constants.</p> <ul style="list-style-type: none">• package of 5 for \$3.50 (70 cents each)• package of 10 for \$5.00 (50 cents each)• package of 20 for \$8.00 (40 cents each)• package of 50 for \$12.50 (25 cents each)• package of 100 for 20.00 (20 cents each)
	<p>Paper ruler (astronomy theme), 200 mm (20 cm) in length</p> <p>Marked in cm on one side and in mm on the other side. Features “How Big are the Planets?” on one side and “How big is our Solar System?” on the other side.</p> <ul style="list-style-type: none">• \$1.00 each, includes shipping/handling• Package of 10 for \$5.00, includes shipping/handling• 35 cents each for 20 or more, includes shipping/handling• 30 cents each for 50 or more, includes shipping/handling
	<p>Paper ruler (temperature theme), 200 mm (20 cm) in length</p> <p>Marked in cm on one side and in mm on the other side. Features “How Big are the Planets?” on one side and “How big is our Solar System?” on the other side.</p> <ul style="list-style-type: none">• \$1.00 each, includes shipping/handling• Package of 10 for \$7.50, includes shipping/handling• 50 cents each for 20 or more, includes shipping/handling• 45 cents each for 50 or more, includes shipping/handling

Think Metric Mug

This 250 mL mug is dark blue with gold printing showing names and symbols of common SI units, and is available while supplies last.

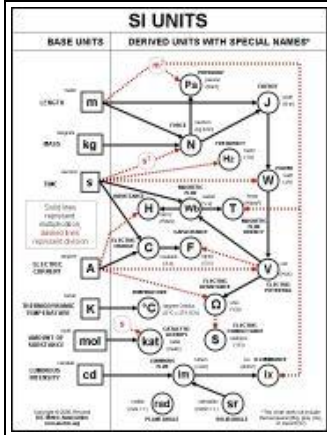

- \$15.00 each mug (includes shipping/handling)

“The Metric System” Poster

A very colorful wall chart measuring 71 cm high by 53 cm wide and printed on thick glossy paper. Pictorially describes metric units for length, mass, temperature, volume, and more.

- \$10 each poster, includes shipping/handling in a mailing tube
- Add \$7 for each additional poster
- For non-US orders, contact USMA via mail or email to obtain cost of shipping/handling

Free Poster, SI Units (The International System of Units)

A printed two-color (black and red) poster (28 cm by 43 cm) that shows the SI-metric units and their interrelationships. Includes all SI base and most derived units with special names.

Posters are free, except for the cost of shipping and handling.

- 1 to 9 posters: \$1.50 each shipping/handling
- 10 or more posters: contact USMA via mail or email for the cost of shipping and handling.

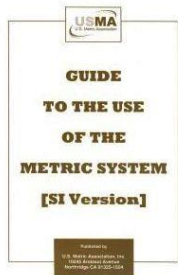

White background with blue and red lettering
(76 mm by 287 mm)

Go Metric Bumper Sticker

Bumper sticker reads: **GO METRIC**. Can be affixed to notebooks, lockers, bulletin boards, etc., as well as used as a bumper sticker.

- package of 10: \$7.00, plus \$3.00 shipping/handling
- package of 50: \$32.50, plus \$7.00 shipping/handling
- package of 100: \$60.00, plus \$10.00 shipping/handling

Guide to the Use of the Metric System [SI Version]

17th edition, 2007: A 34-page complete guide which shows the metric system units and symbols (short forms) and gives rules for using them. Appendixes contain information on technical units used in industry, conversion factors for the most commonly used units, and tips for remembering the everyday units and their sizes.

- 1 to 9 copies: \$15.00 each, plus \$4.00 shipping/handling
- 10 or more copies: \$12.00 each, plus \$5.00 shipping/handling

Introductory Package

Contains each of the following 6 items: USMA's *Guide to the Use of the Metric System [SI Version]*, 200 mm (20 cm) plastic ruler, "Go Metric" bumper sticker, Celsius thermometer, SI units poster, and 100 mm (10 cm) Metric Cube. Items are pictured individually elsewhere in this list.

- \$25 each kit, plus \$5 shipping/handling

Metric Bibliography CD / Metric Today Archive CD

A ***Metric Bibliography CD*** contains an extensive bibliography of references to articles about the metric system, metrication, and related standards published in English-language magazines, newspapers, periodicals, journals, and other serial publications since the 1940s. Readable with *Microsoft® Works* database software. In addition, a second ***Metric Today Archive CD*** contains the complete text in PDF of all issues of *Metric Today* from 1966 to the current issue.

- \$25 (\$35 for non-members) for either CD, plus \$5 shipping/handling
- \$40 (\$50 for non-members) for both CDs, plus \$5 shipping/handling

USMA Membership

Includes a subscription to USMA's bi-monthly newsletter *Metric Today*, as well as other member-only benefits.

- **Individual (electronic newsletter):** \$30/year, \$58/2-years, \$85/3-years
- **Individual (paper newsletter):** \$35/year
- **Full-time student:** \$15/year
- **Lifetime:** \$500 (one time only)
- **Business/government:** \$150/year (includes multiple use of each issue of *Metric Today*)
